THE FLOATING SHELF SYSTEM

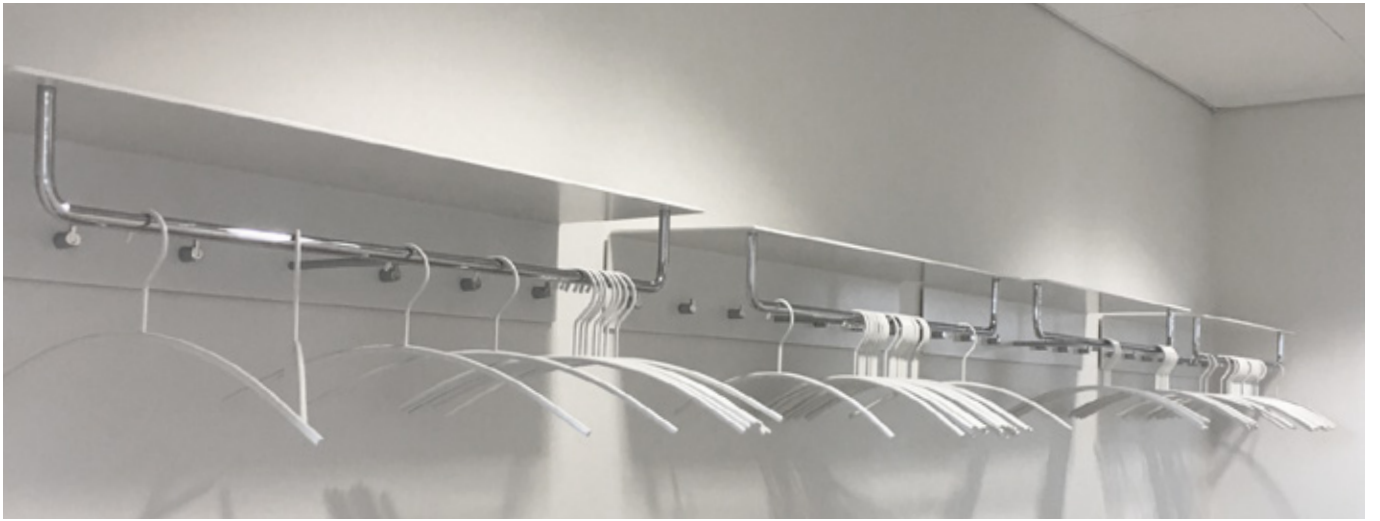

UNU Features

- 01 Modern, simple and timeless Danish design
- 02 The products can be assembled in a number of combinations (composed of modules)
- 03 Large carrying capacity in lightweight material
- 04 The hidden wall mounting system gives a minimalistic appearance
- 05 The maximum load is 40 kg. For heavier load, 6 mm thickness is available on request
- 06 Safe mounting. Can only be disassembled with use of tools, making them useful in public areas
- 07 Can be combined with NOVA and NOVA2, for example hangers and hooks
- 08 Produced in aluminum with a powder coating in black or white
- 09 Multiple applications, including towels or cosmetics in the bathroom and books or ornaments in the living room
- 11 With the different size options you can create an individual shelf system or even use it as a TV-lowboard or laptop workstation.
- 12 Use the plank connection for mounting plates in a straight line
- 13 Simple assembly that can create a "whole" wall without visible joints and accessories
- 14 Do not use wall panels, wall rails or "strings". There are no boundaries and you are free to create
- 15 Aluminum can be recycled
- 16 Nonflammable
- 17 Fits with other minimalist designs, such as modern kitchen and bathroom designs
- 18 Good resistance to damage and scratches
- 19 Color-resistant
